
DESIGN / BUILD

Step 1: Initial Consultation

We offer a no-cost, no-obligation in-home consultation with one of our Designers and Project Managers. We will discuss your design ideas, budget and timeline. We will offer suggestions and ideas and partner with you to carefully plan your project. We will prepare a preliminary budget analysis based on your needs and vision.

Step 2: Design & Visualize

Knowing that a "picture is worth a thousand words" our staff provides design services to bring your dream to life. Using "20/20" and Softplan computer generated conceptual drawings, we offer you alternative design options from which to choose.

Step 3: Financing

Logic Build, Inc. will assist you by introducing you to top lending institutions in the area who will arrange the financing that best suits your needs. Whether you are doing a simple family room addition or a whole house renovation, they have many options available making your home improvement dreams well within your reach.

Step 4: Permits and Paperwork We handle all applications for permits and submission of all necessary paperwork needed for your project. There is no red tape for you to worry about. Our goal is to make your remodel a pleasant and stress free experience from start to finish.

Step 5: Your Personal Project Manager

Before any work begins on your project, we assign and introduce a personal Project Manager. Your Project Manager will ensure that all work is done to the highest professional standards and that your utmost satisfaction is the priority every step of the way. Overseeing the entire crew, coordinating all scheduling and inspections and answering any questions and concerns you may have, your Project Manager will be available to you at all times from concept to completion. Communication is the key to our success.

Step 6: Transformation

Our dedicated construction crew will complete your project on time and on budget. Each member of our build team is a highly skilled professional devoted to finishing your project with the highest quality work in an efficient and courteous manner. The pride in their work and attention to detail will be evident in the finished product.

Step 7: Satisfaction Guaranteed

Relax and enjoy your newly remodeled home. We are confident that you will be completely satisfied, but offer a generous warranty on our work. We offer a two-year warranty on our remodeling against any defects, Logic Build, Inc. leaves you with peace of mind after the project is completed.
